Helping Retrievers and Other Homeless Dogs Find Families

Happy Holidays from Retrievers and Friends

Here are Retrievers and Friends, the Spirit of Christmas is alive in our hearts. It's at this time of year that we celebrate the hope, love, joy and peace that guides us throughout each year.

We Rejoice over the many animals who have been helped and our friends, both old and new who have participated in our efforts. Thank you for your generous donations.

We also appreciate the bedding, toys etc. that you have provided. our kindness is what enables RFSC to continue to make a difference

It takes a very Loving heart indeed to open your home to an animal in need. We feel the Peace of the season knowing that many of our precious rescues are safe, happy in your care. Please take a moment to follow the link of many of our successful adoption stories.

In our ongoing dedication to help reduce the pet over-population our mobile spay/neuter clinic has been keeping busy. Each day that our mobile unit goes out we are able to spay or neuter about 30 pets. It's a great feeling to know we are making a difference. This year we participated in a special one-day event that helps the pets of the homeless. RFSC was able to spay or neuter 20 pets including health checks and shots. Please check out our link for this wonderful ongoing effort.

Retrievers and Friends is excited and focused on the New Year. It is with an abundance of Hope in our hearts that we continue our efforts to make a difference in the lives of our precious animal friends in need.

Retrievers and Friends participated in the San Diego area Shelters "Paws and Claws" Event

Once again, we are very happy to have been able to participate in the annual Paws and Claws event with the San Diego area shelters.

The shelters have many, many great animals in need. They compiled a list of those pets

who have been at the shelters the longest and sent this list to their rescue partners.

Retrievers and Friends was able to take 2 cats and a Guinea Pig. Please click on their names to learn more about these wonderful animals.

There are many ways that you can help Retrievers and Friends in the New Year:

Donate

Volunteer

PUrchase a blanket

Support us thru the Ralphs community (and Albertsons program coming soon)

A Happy Story - We received the following letter from the daughter of an adoptive family:

Dear Retrievers and Friends,

I love my puppy so I wanted to give money to the rescue that I got her from. My friend Chloe and I decided to have a lemonade stand and give half of the money to Retrievers and Friends. We ended up raising \$52.02 for the rescue.

Since my friend and I are animal lovers, we are very happy to give Retrievers and Friends money to buy supplies for dogs and cats.

What inspired me to this is my silly, jumpy, puppy, Luna.

My family and I take her on vacations and she always cracks us up when she spins and jumps all over the place.

She always does what her older sister Wrigley, the 2-and-a-half-year old Labradoodle, does. If Wrigley drinks water. I una will. If Wrigley is being naughty. I una will. If Wrigley sleeps. I una will. I una tries to

...
sit down and sleep with Wrigley but Wrigley pushes her away.

These two silly puppies are even sillier together and could brighten anyone's day. Everybody should adopt a puppy or kitty from Retrievers and Friends. You will make an animal and you own life a lot happier.
